January was full of chilly days and warm hearts!

We welcomed in 2025 with friendship, laughter, music, and some furry friends.

"In the coldest February, as in every other month in every other year, the best thing to hold on to in this world is each other."

## A Note from The Life Enrichment Team

Tina Thompson  
Life Enrichment Director

Happy February!

The temps are dropping, but things around the Lodge are hopping! A big THANKS to everyone who participated in our 2nd Annual Door Decorating Contest; you all did amazing!

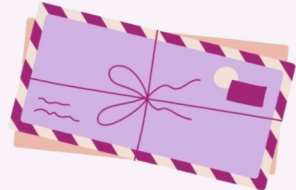

We have a lot of great things planned in February, including a few surprises.

Have you ever heard of winter planting? We'll be learning about the process and reason behind planting certain crops and flowers this time of year, and we'll try our hand at starting a winter "garden." We also have some great educational speakers coming in, a lot of musical guests, and many opportunities to socialize with your neighbors. Don't forget the big Valentine's Day Party!

Finally, we'll be bringing around activity interest surveys that will help us continue to grow the activity program and meet your interests. We appreciate your valuable input and look forward to a fun month.
