HAPPY
Birthday

A Note from the Executive Director

Michelle Graham
 Executive Director

As we welcome the beautiful month of May, I am reminded of the many wonderful things this time of year brings. May has always been a month of renewal and growth, much like the vibrant flowers that bloom and the trees that regain their lush green foliage. Historically, May Day, celebrated on the first of May, has been a time for festivities and joy, dating back to ancient times when people would dance around the maypole and celebrate the arrival of spring. It's a reminder that every season brings its own unique beauty and opportunities for us to enjoy.

I encourage each of you to take a moment to appreciate the warmer weather and the longer days. Whether it's a leisurely walk in the garden, a chat with friends, or simply enjoying the sunshine, let's make the most of this delightful month. And remember, as Mark Twain humorously noted, "It's spring fever. That is what the name of it is. And when you've got it, you want—oh, you don't quite know what it is you do want, but it just fairly makes your heart ache, you want it so!" Let's embrace that joyful, heart-aching feeling and make May a month to remember.
