

Transportation Update

Transportation will not be available on Wednesday, November 25, Thursday, December 24, and Thursday December 31. On Wednesday, December 2, rides will not be available after 2:00pm so we can prepare for our tree lighting ceremony. We appreciate you scheduling your appointments accordingly!

Happy November!

We have a lot to be thankful for, and we're celebrating it this month! We welcome residents, staff, and families to help us fill our "Grateful Tree". Leaves will be available for you to pick up from the front desk anytime, however if you'd like assistance filling out a leaf and sharing things you're grateful for, we've scheduled times to get together throughout the month.

The Month In Moments: Smiles, Celebrations, & Connections Shared!

A Fresh Look, More Connection!

You may notice a fresh look to our newsletter and calendar this month! We've introduced TSO Life, a new tool to support our Life Enrichment program and strengthen communication with residents and families. As our team learns the technology and gradually incorporates it into our planning, our focus remains on meaningful experiences, personal connections, and keeping you informed. We'll share more information and resources over the coming months. Thank you for your patience as we learn and make thoughtful updates along the way!
